#### § 928.40 Expenses.

The committee is authorized to incur such expenses as the Secretary finds are reasonable and likely to be incurred by the committee for its maintenance and functioning and to enable it to exercise its powers and perform its duties in accordance with the provisions of this part during each fiscal year. The funds to cover such expenses shall be acquired by the levying of assessments as prescribed in § 928.41.

#### § 928.41 Assessments.

(a) Each person who first handles papayas shall, with respect to the papayas so handled by him, pay to the committee upon demand such person's pro rate share of the expenses which the Secretary finds are reasonable and likely to be incurred by the committee during each fiscal year. Each such person's share of such expenses shall be equal to the ratio between the total quantity of papayas handled by him as the first handler thereof during the applicable fiscal year and the total quantity of papayas so handled by all persons during the same fiscal year. The payment of assessments for the maintenance and functioning of the committee may be required under this part throughout the period it is in effect irrespective of whether particular provisions thereof are suspended or become inoperative.

(b) The Secretary shall fix the rate of assessment to be paid by each such person. At any time during or after the fiscal year, the Secretary may increase the rate of assessment in order to secure sufficient funds to cover any later finding by the Secretary relative to the expenses which may be incurred. Such expenses shall be applied to all papayas handled during the applicable fiscal year. In order to provide funds for the administration of the provisions of this

part during the first part of a fiscal year before sufficient operating income is available from assessments on the current year's shipments, the committee may accept the payment of assessments in advance, and may also borrow money for such purpose. Assessments not paid within a period of time prescribed by the committee may be made subject to interest or late payment charges, or both. The period of time, rate of interest, and late payment charge shall be as recommended by the committee and approved by the Secretary. When such interest or late payment charges are in effect, they shall be applied to all assessments not paid within the prescribed period of time.
